2 SCHOOLS WILL HOLD DOLL SHOWS

The Tenth Annual City-Wide Doll Shows will be held in the Marin and Cornell School auditoriums on Friday, March 14. Sponsored by the Albany Recreation Department and assisted by the Marin and Cornell P.T.A. the doll show will award prizes for first and second places for size of dolls, age, best costume, doll collections, and best of dolls, animal dolls, and home-made dolls and clothing.

Principals Eugene Baker of Marin and Milton Gordon, Cornell, are assisting Supervisor Emmett Devine of the Recreation Department with arrangements.

Marin playground directors Leona Tann and Richard Date and Cornell playground staff George Stewart, Mervyn Weiner and Earl Tait will assist the P.T.A. in staging the shows.

Application blanks are available at Marin and Cornell Schools and should be filled out and returned when the children bring their dolls to the shows. Doll registration will be held from 9 to 11 a. m. and afternoon kindergarten from 12:45 to 1 p. m. A public exhibition will be held from 2 to 3:30 p. m.

Traffic accidents took the lives of 120 children of school age last year in the United States, according to the C.S.A.A. One out of six of the children involved entered a traffic lane from between parked cars, and one out of four was playing on the roadway.

Police-Firemen's First Annual Ball To Be March 14

The public is invited to join the fun and frolic with the police and firemen when their Social Club holds its first annual ball on Friday evening March 14th at 8:30 p. m., at the Marin School Auditorium, Marin and Santa Fe Aves.

An electric mixer is the door prize. Tickets are \$1.00. Homer Cocrall's orchestra will provide the music. A good time is promised by the committee composed of Sgt. A. K. Smith, chairman; Kenneth A. Nickerson, of the police department; and Capt. Les Varni and Robert Baker of the Fire Department.

China to Be Topic At Albany Forum

"China: Problems and Policies" will be discussed by Dr. N. Wing Mah, Associate Professor of Political Science of the University of California, at the second of four lectures on a forum series, "Aftermath of War—Peace?" scheduled by the Albany Evening High School. Dr. Mah's lecture, which will be given at the Cornell School auditorium, 919 Cornell Ave., Albany, Thursday evening, March 13 at 8:00 p. m., will be followed by an open-forum discussion in which questions from the audience will be answered and discussed. The public is cordially invited to attend this lecture.

New Deadline Set For Registering Albany Bicycles

The deadline for licensing and registering of bicycles was extended this week by Police Chief Stanley Williams, who set the new deadline at March 31. Williams announced that the bicycle bureau, under the direction of patrolman Vernon Freeman, will be open from 3 to 5 p. m. Mondays and Wednesdays.

A penalty of 50 cents may be imposed upon any bicycle owner who fails to have his cycle registered and licensed within the time prescribed by City Ordinance 559.

Paper Drive Aids H. S. Undergrads Yearbook Funds

Students of the low senior class at Albany High school have proven themselves to be a determined group of young people. Threatened with the loss of their separate semi-annual year book, the Cougar, they staged a paper drive in Albany and Berkeley and obtained \$126.56 to add to their Cougar fund.

Because mid-term Cougars do not usually sell well enough to pay for themselves, it had been proposed that only one edition be put out annually. This edition was to include pictures of the entire senior class. The low seniors opposed this plan and have set out to raise money enough to allow them to publish their own yearbook.

3-Day Grand Opening Held for Thrifty Home, Auto Supply

Saturday, March 8, will climax the three-day grand opening of the Thrifty Home and Auto Supply, 2047 San Pablo Ave., Berkeley. Thursday morning, March 6, George Thompson, manager of the new B. F. Goodrich dealership, opened the doors to his many friends in this area. In addition to the many Goodrich products featured at the Thrifty, Thompson has announced that they also have such well known names as Bendix, Toastmaster, and other fine home appliances, many of which are on sale during the opening days.

The store has been completely remodeled and will be one of the most fully equipped of its kind in the city of Berkeley. Ernie Sandlin, one of the best known tire men in his area will assist Thompson.

The Thrifty Home and Auto Supply will also feature an auto radio department with the popular Motorola and Philco auto radios. Thompson stated that the Thrifty budget plan has been in effect since the opening day.

Italian Delicatessen Opens on Solano Ave.

Tony Cola and Frank Peacock have been friends since childhood. They grew up together in Albany and attended school together. Now they have gone in business together in the "Italian Delicatessen" at 1504 Solano Ave.

The Delicatessen will be operated by Viola Peacock and Christine Cola, wives of the partners. Specializing in all Italian delicatessen, the new store will offer foods of many varieties.

PLAY BALL!

LEAGUE STARTS MARCH 23

In the Spring a young man's fancy lightly turns to thoughts of—softball. That's the case in Albany and El Cerrito, at least, for the men hereabouts (young and old alike) are looking forward to March 23 when the Albany Recreation Department's Adult Spring Softball League gets underway. There is a great limbering up of the "ol' pitcher's arm" and the little woman begins to take on that resigned look.

The Marin dads will be hard-pressed to defend their 1946 championship this year against eight teams. Those challenging the champs are: Albany Eagles, Bayview Aerie No. 2323; Albany Junior Chamber of Commerce; El Cerrito Y.M.I.; No. 96 Berkeley Y. M. I.; El Cerrito Civic Club; Albany Maccabees and Police and Fire Civil Service Employees.

League games will be played at Memorial Park and James Kenny Park, Berkeley, on Sunday mornings. The first game will start at 10:15 and the second at 11:40.

French Student Speaks at Hi-Y Girls Meeting

Christine Barbarin, a University of California exchange student from France, spoke at the Albany Girl's Hi-Y meeting Monday evening, Feb. 23. Her topic was "Girls in France Compared to Girls in the United States."

The young Frenchwoman spoke on the education, occupation and social life of the average French girl and told of several systems of teaching employed in France. Following the speech, the girls asked questions on any phase of French life in which they were interested.

Miss Barbarin, a former teacher in France, is now studying at U. C. in exchange for an American student studying in Paris. She is living at the International House, Berkeley, and plans to return to France after completing her course here.

"Clear to the Top" Featured at Griff's

Can you imagine a steak house with two fine cocktail lounges showing their patrons a film designed to teach moderation in drinking? That is precisely what happened at Griff's Steak House on Wednesday night, Feb. 27 when that progressive dining spot held a special showing of the Hollywood production "Clear to the Top."

Griff set a precedent in that this is the first time in California that such a film has been shown in a place of this type. This popular film, produced by the Calvert Distilling Corporation, will be shown again at Griff's at a date soon to be announced.

After the picture a waltz contest was held at Griff's. Mr. and Mrs. "Bert" Hill won first place.

Albany High P.T.A.

The Albany High School P.T.A. will hold their next meeting on March 13 at 7:30 p. m. in Room 106 at the high school.

F. Wm. Feeny, vice-principal will be chairman. The committee featured is "Citizenship." The theme—"Understanding the Student Body."

All high school parents are urged to attend.

New Maytag Range Now on Display Here

Maytag has added a gas range to their line of home appliances. This new range, the Dutch Oven, is now on display at Moore and Son Electric Co., 1166 Solano Ave. The Dutch Oven especially features an automatic device which turns the range off, seals the flue vents and permits the heavily insulated oven to keep right on cooking.

The beautiful new Maytag range is another of the modern household appliances available at Moore and Son which has made their shop a favorite shopping place for the discriminating buyers of Albany.

Leadership Will Be Subject of P.T.A. Conference Series

The Berkeley-Albany Council of Parent-Teacher Associations are featuring the first conference in a series of eight on the subject "Leadership," this morning at 9:30 to 11 a. m. at the Administration building, 1414 Walnut Street.

This course will give those attending the fundamentals of Parent-Teacher work and the general technique of parliamentary procedure. Instructors in the course will be Mrs. V. A. Clemens, second vice president and Mrs. L. W. Taylor, parliamentarian. The course will be of value and interest to all P.T.A. members independently of whether they are interested in holding office, also to all chairmen and officers who are active in P.T.A. work. A large attendance is expected from all units throughout Berkeley and Albany and unit presidents are urged to popularize this course which is free to all.

Insurance Group Meets For Annual Dinner At Jim's Coffee Shop

Members of the Albany Association of Insurance Agents met in Jim's Coffee Shop at 7 p. m. on Feb. 26 for their annual dinner, sponsored by their president, G. D. Gaeta. Fire Chief Fred Pimental, his wife and daughter, Laverne, were guests of the evening. Chief Pimental spoke upon the assistance the group has given his department in keeping fire losses in Albany low during the past years.

Attired in white caps and aprons, John Sloan and Roy Harford afforded laughs for the gathering with their antics as waiters.

Agents and their wives present were: Messrs. and Mesdames G. D. Gaeta, John Sloan, Roy Harford, Mark Reid and Al Phal.

Albany High School Art Students Win No. Calif. Awards

Gloria Lindstrom and Jean Douglas of Albany are two of the first prize Gold Key winners in the Regional Scholastic Art Awards competition, which is being co-sponsored for Junior and Senior High school students throughout Northern California by the Emporium in San Francisco. Their work was done in the classroom under the supervision of Robt. W. Brown, art instructor in Albany High school, and at the close of the Regional Exhibition at The Emporium will be sent to the Carnegie Institute in Pittsburgh, Pa., with the work of the other Gold Key winners to compete with entries from all over the United States. The National jury will award thousands of dollars in cash prizes and over 70 scholarships to leading art schools to the winners.

Young Albany Doctor Returns to Home Town To Open Own Office

Victor Stallone, Jr., M.D., 28, the first Albany High School graduate to receive a medical degree, has returned to his hometown and opened his own office at 1398 Solano Ave. After his discharge from the U. S. Navy, where he served as Medical Officer aboard the USS Earhart, Stallone went into practice with his brother, J. J. Stallone, in Berkeley.

Doctor Stallone received his pre-medical training at the University of California and then attended the Medical College at the University of Cincinnati. He entered the Naval Reserve in June, 1940 and received his internship at Mare Island.

Annie L. McQuaide

Funeral services were held at the Ellis-Olson Mortuary Monday, March 3, for Mrs. Annie Lowry McQuaide, prominent in Albany for many years, who died in her sleep Friday night at the home of her daughter, Mrs. W. Edmond Hanahan, 844 Ramona Ave. She was active in Catholic work and played a prominent part in many community affairs.

In addition to her daughter, she is survived by three grandchildren Lorraine D., Audrey M., and Walter E. Hanahan.

Burial was at Holy Cross Cemetery, San Francisco.

Council Plans Ordinance for Business Tax

Rather than have the added expense of a special election on a proposed business license tax, the Albany City Council has decided on an ordinance to raise the required funds.

City Attorney George Glaynovich is preparing a rough draft of the ordinance which he will present to the council at their meeting next Monday night. A copy of the proposed ordinance will be published for study by local citizens.

Other council business at the meeting last Monday night concerned appointment as regular members of the Police and Fire Departments to four probationary members. William Hyde was made a regular sergeant on the police force and David F. Perkins and Emil J. Zugoni, Jr., were named patrolmen. Jess J. Rippey was named a regular hosieryman with a five dollar per month increase in salary. All men had ended their six months' probationary periods as of March 1.

Easter Seal Sale Set For March 6

Sponsored locally by the Handicapped and Crippled Children's Guild of Alameda County, the Easter Seal sale held annually during the month before Easter opened across the nation on March 6th.

Work of preparing the seals for mailing has been underway for some weeks at the Guild's headquarters, 5017 Grove St., Oakland, by scores of volunteers from its 21 affiliated organizations.

Made by leading manufacturers of better footwear, these shoes offer exceptional values for thrifty shoppers. Also featured are "Big Ben" carpenter's overalls and boy's two-piece suits for Easter wear. Other outstanding values are advertised on pages two, three, and seven of the Times this week.

The elder Mr. Villa is the brother of the two local merchants late father. He is a resident of Albuquerque, New Mexico.

Complaint Dismissed

In a hearing before the Public Utilities of the State of California, the complaint of Mrs. Kathie Zahn of Albany, was dismissed on the basis of insufficient evidence. Mrs. Zahn, however, states that she has prepared a petition for rehearing and is determined to take her case to the Supreme Court, if necessary, to secure a writ of review.

LEGION POST WILL FETE AL. RUTAN

By WALTER HOLLAND
Because of the efficient service he has rendered Albany Post 292 American Legion, as Post Adjutant and his great interest in the local Post since becoming a member, Post 292 will honor Albert Rutan, Sr., with a farewell party Friday evening, March 7. Rutan is being transferred to New York by his employers and Friday evening will be his last night as Adjutant.

In addition to being a party in honor of Rutan, it is expected to also be a baby smoker, since the Rutans became the proud parents of a son on Feb. 18 and, in keeping with local Legion custom, cigars are in order.

To carry on the office of Adjutant as set up by Rutan, LeRoy Holland, Assistant Adjutant, will be a candidate for Rutan's job and the vacancy in the assistant adjutant spot will be filled by appointment from Commander Mason Layton.

While the Memorial Building is being fogged up by Rutan's cigars, Russell Rothschild, General Manager of the "Annual Equinoctial Spring Tonic Jinks and Stag" will acquaint the members of Post 292 with the program planned for the big event on Friday, March 21, in the Memorial Building.

Start your car slowly and stop slowly, advises the C.S.A.A. Sudden starts and stops greatly increase wear on both tires and brakes.

YOUR OWN FAMILY DOCTOR, through the California Physicians' Service, brings YOU and YOUR FAMILY the finest of surgical care including major and minor operations in or out of the hospital, treatment for all fractures and dislocations, X-rays if necessary, ectopic pregnancies, Caesarean operations, X-ray and laboratory tests, X-ray and radium treatments available to CPS members at all times (routine to the member's family when hospitalized). Services of surgeon assistants and physician anesthetists. ALL WITHOUT COST—
Workmen's compensation cases and dental services, obviously, are excluded.

Medical Services

Service includes physician anesthetists, surgeon assistants, laboratory tests, complete X-ray examinations and radium treatments (a newly added CPS service) in or out of the hospital. You pay only your doctor's regular fee for the first two visits. However, if the laboratory tests, X-ray examinations or surgical operations are necessary during the first or second visits, their cost will be paid by CPS. After that—ALL COSTS are assumed by CPS.

*MATERNITY CARE WITHOUT COST after ten months' membership for the employed member.
Workmen's compensation cases, eye refractions, physical therapy, cold shots and dental services, understandably, are excluded.

Hospital Services

WHEN YOU or any member of your immediate family is ill or needs an operation or has an accident requiring hospitalization or needs emergency room services, your CPS membership provides 21 days care each year for EACH SEPARATE AILMENT. (Should confinement be longer, CPS pays one-half the bill for an additional 345 days immediately following the 21 days). Workmen's compensation cases, quarantinable diseases, tuberculosis after diagnosis, and dental services, you can well understand, are excepted.

Take a Daredevil's word for it!

Here's a tire so safe it made the newsreel!

See us today! We're headquarters for the tire that OUTWEARS PREWAR TIRES!

16¹⁰

Everybody's heard about it! Everybody wants it! And now we've got it! The new B.F. Goodrich Silvertown tire that *actually* OUTWEARS PREWAR TIRES! See it today.
* See the new B.F. Goodrich wider, flatter, "road-level" tread . . . for better traction, safer stopping, longer wear!
* See how tougher, stronger cords—in all sizes of tires and more of 'em!—result in a stronger, tougher tire body!
* See the extra protection against sudden blows provided by not one, but two shock-absorbing breaker strips!

When can you get yours? Come in and see us today . . . we're headquarters for the new B.F. Goodrich Silvertown. Maybe we have your size in stock. If not, an order placed now will guarantee you earliest delivery. Stop in today.

DENNIS DAY'S DATE — When Dennis Day gets sentimental, it's about his girl friend Mildred Anderson, portrayed by blonde Sharon Douglas (above) in NBC's "A Day in the Life of Dennis Day."

Steel Shortage Holds Up 1947 License Plates

Vehicle owners of Albany who have not yet received their 1947 license plates and Registration Cards are asked not to worry and to refrain from writing letters to the Department of Motor Vehicles, in a message received here today from Director Edgar E. Lampton.

Although the plates are being mailed out as fast as they are made up by the manufacturers, Lampton said, it will not be possible to produce all of the 1947 plate contract before early April because of the steel shortage. Consequently, it will be close to May 1 before all plates have been mailed out to the applicants.

At this time approximately 1,250,000 pairs of plates have been received from the manufacturer out of a contract that is close to 3,000,000 pairs.

Meanwhile the 1947 Registration Cards are being processed in the chronological order received and are being mailed to local vehicle owners independently of plates so that vehicles may be transferred if desired.

Lampton's message asks the public to be patient, pointing out that letters written about plates at this time only throws an extra burden on the Department's clerical staff.

Pre-School Mothers Turn Up as Painters

The folks along Masonic Avenue awoke Saturday morning, Feb. 22, to see six women painters busily daubing away at a new wooden fence constructed to serve as a windbreak for the tiny tots of the Albany Recreation Center Pre-School.

Attired in painting garb and swinging various size brushes, Mesdames Ida Shaw, Fred Brown, Norman Haavik, Wm. McGimpsey, John Mcconney and Jerry Gilcrest, president of the co-operative pre-school center, made short work of the 65-foot long fence.

The funds to construct the much needed windbreak were raised by the mothers of the Albany Pre-School Club. Construction work was kindly donated by Geneva Gilcrest's grandfather, L. C. Hall.

WET WEATHER SAFETY
Smooth tires and wet pavement are responsible for many wet weather accidents, declares the National Automobile Club. Rain reduces the distance one can see and increases the distance required to stop. A wise motorist will drive slowly during rainy weather and help prevent a needless accident.

Maurice Norby of the American Hospital Association states—"Governor Warren's health program puts the cart before the horse. California is short 20,000 hospital beds, and you can't provide services without facilities!"

Give to the Red Cross—the drive is never over—Red Cross help never ceases.
